1 And then for them to come and do it, it was like
2 just -- just kind of blew me away and then kind of
3 strong-armed me into insisting that I buy their products
4 and let them market it for me and put me on the thing and
5 drop the name, it was kind of just -- like, it was kind
6 of like scary, you know, knowing that I've -- I
7 couldn't -- there was no way out of it.

8 No way out of it, just -- and after all my due
9 diligence of everything I did up to that point to -- to
10 be able to do this and then to have them do it, you know,
11 go after me was kind of tough but --

12 Q. Do you believe that dentists out in the United
13 States over the various 50 states, as you put it, do you
14 believe that when they see the trademark "BruxZir" with a
15 "Z," that they recognize it as a Glidewell mark?

16 MR. JANKOWSKI: Objection, calls for
17 speculation. You can answer.

18 THE WITNESS: No, I don't. I don't. Doctors
19 have been using the name "bruxer" for a strong crown
20 forever, be it gold, be it zirconia. Now it's kind of a
21 generic name for an all-full model of the crown. You can
22 see it on the Internet and everything else for bruxer
23 crowns.

24 BY MR. TACHNER:

25 Q. But I'm talking about the BruxZir spelled

1 B-r-u-x-Z-i-r.

2 MR. JANKOWSKI: Same objection. You can
3 answer.

4 THE WITNESS: No, I don't think so.

5 BY MR. TACHNER:

6 Q. You don't think so what?

7 A. I don't think that doctors recognize that as
8 being Glidewell.

9 Q. What do you think they -- they understand that
10 to be when they see it?

11 A. I just think it's for grinding patients, a full
12 contoured monolithic zirconia crown for bruxers.

13 Q. And what is the basis for your belief of
14 that?

15 A. Because it's strong. Everyone knows it's
16 strong, and it's the -- it's what -- it's chip resistant
17 and for your grinder patients.

18 Q. Is there a -- a word BruxZir, B-r-u-x-Z-i-r, in
19 the industry?

20 A. What's that?

21 Q. Is there such a word?

22 A. As what?

23 Q. B-r-u-x-Z-i-r?

24 A. Is there such a word? I don't understand the
25 question. That's Glidewell's name for their monolithic

1 crown.

2 Q. Is it used in any other way in the industry?

3 A. No.

4 Q. No?

5 A. Not that I know of.

6 MR. TACHNER: No more questions.

7 MR. JANKOWSKI: I have no questions.

8 MR. TACHNER: Thank you very much, Mr. Keating.

9 Same stipulations?

10 MR. JANKOWSKI: Yes.

4 I, GLENNA J. McNEALY, CSR No. 9138, a Certified
5 Shorthand Reporter, certify;

6 That the foregoing proceedings were taken before
7 me at the time and place therein set forth, at which time
8 the witness was put under oath by me;

9 That the testimony of the witness, the questions
10 propounded, and all objections and statements made at the
11 time of the examination were recorded stenographically by
12 me and were thereafter transcribed;

13 That the foregoing is a true and correct
14 transcript of my shorthand notes so taken.

15 I further certify that I am not a relative or
16 employee of any attorney of the parties, nor financially
17 interested in the action.

18 I declare under penalty of perjury under the laws
19 of California that the foregoing is true and correct.

20 (Reading and signing is requested.)
